

Our international team of experts specializes in **state-of-the-art software, made from scratch, for print and scan management.** In a working environment that sets standards for flexibility and features. As drivers of innovation and integral members of the Canon Group, we have a strong partner on our side. We stay in constant communication from Bad Iburg, Germany with our colleagues in New York, Singapore, and Tokyo – and soon, hopefully, with you as our new team member!

GROUP ACCOUNTING SPECIALIST (M/F/D) STATEMENTS & REPORTING – PART-TIME (25 HRS/WEEK)

This sounds amazing!

Have you received accounting qualification after completing your business management training? Are you skilled in financial reporting in accordance with the German commercial code, as well as in tax law? Are you a highly motivated and communicative team player? Do you have experience in a similar position?

Of course, a couple of years already.

I'd like to gain experience at NT-ware.

Okay. For us, the most important thing is that you are up to the job and are willing to learn new things and become a pro when it comes to accounting and reporting.

Our team of experts from over 35 countries is always in high spirits. In our "green building" in Bad Iburg, we collaborate to shape ideas and put them to the test. By the way: How about discussing accounting topics in English?

I love it!

Unfortunately English isn't my strong point.

As a member of our team, you will soon be able to:

- take on accounting tasks for us and our subsidiaries
- assist in monthly consolidation and annual reporting, and eventually be responsible for these tasks on your own
- provide answers to tax-related questions

No worries. We offer in-house language courses taught by certified instructors so you can quickly brush up on your English skills.

That sounds perfect. Is there any information about the perks and benefits?

I don't think this is the right job for me :(

That's too bad. Good luck on your job search!

Any perks and benefits? Of course. We offer a super-flexible, highly modern and well-equipped workspace with daycare, a company bonus plan, continued professional development opportunities, driver safety training, the option to work from home and much more... Convinced?

Are you looking for more good reasons to join NT-ware? You can find more information about our corporate culture at www.nt-ware.com.

Definitely!

Does this sound like you?
